

RGB

Part No. **VFL-RGB-16.7-24**

Product Vega-Flexi™ RGB LED Strip

- Features**
- SMD 5050 LEDs with a pitch of 16.7mm pitch (60 LEDs per metre)
 - Custom lengths up to 5 metres (100mm PCB segment length)
 - Life Expectancy of 50,000 hours (2 year warranty)
 - IP68 Protection with PVC casing and internal epoxy fill
 - Bending radius of approx. 350mm in plan.
 - Optional white or brown PCB
 - 120° beam angle

LED Spacing

16.7 mm

Rating

IP68

Power Consumption

14.4 watt/m

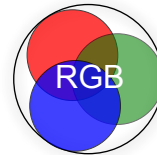

Lumen Output

Red: 120 lm
Green: 240 lm
Blue: 150 lm

Voltage DC

24V

Part No. **VFL-RGB-33.3-24**

Product Vega-Flexi™ RGB LED Strip

- Features**
- SMD 5050 LEDs with a pitch of 12.8mm pitch (78 LEDs per metre)
 - Custom lengths up to 5 metres (157mm PCB segment length)
 - Life Expectancy of 50,000 hours (2 year warranty)
 - IP68 Protection with PVC casing and internal epoxy fill
 - Bending radius of approx. 350mm in plan.
 - Optional white or brown PCB
 - 120° beam angle

LED Spacing

33.3 mm

Rating

IP68

Power Consumption

7.2 watt/m

Lumen Output

Red: 60 lm
Green: 120 lm
Blue: 75 lm

Voltage DC

24V
